

FREESTYLE DIGITAL MEDIA ACQUIRES HORROR FEATURE "SQUATCH" FOR MARCH RELEASE

Adventure Horror Feature Sets Digital Debut on North American VOD Platforms Starting on March 10, 2026

LOS ANGELES, CA, UNITED STATES, March 10, 2026 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen's Allen Media Group, has just released the adventure-horror feature SQUATCH, which is now available to rent/own on North American digital HD internet, cable, VOD and satellite platforms starting March 10, 2026.

“

Bigfoot is back in the cultural bloodstream, and we knew it was time to drag SQUATCH into the horror universe. We built a fearless team and made a savage film that doesn't blink.”

Director Tom Chaney

Nick Peters has spent his entire life without his estranged father. Living in a small working-class town with his mother, he unexpectedly inherits his father's estate including a remote cabin in the deep northern woods. Wanting nothing to do with it, he's ready to walk away until Cassie, the coworker he's pined for, offers to go with him. What begins as a weekend of closure quickly descends into

a fight for survival. As they cross into a world untouched by man, they come face-to-face with a myth that has finally stopped hiding. America's monster comes to life in SQUATCH.

Directed by Tom Chaney and written by Chaney and Bill Conger, SQUATCH was produced by Chaney, Jerry Land, Lawrence Berman, Andrew Ruth and Susan Chaney with Executive Producers Scott Agge, Robert Chames, George Ziyadeh and Charles Chaney. Featured actors include Jack Chaney ('Nick Peters'), Cassandra Schomer ('Kate Peters'), Paige Weishuhn ('Cassie') and Jacob Southwick ('Squatch').

“Bigfoot is back in the cultural bloodstream, and we knew it was time to drag SQUATCH into the horror universe,” said director Tom Chaney. “We built a fearless team and made a savage film that doesn't blink.”

Freestyle Digital Media negotiated a deal to acquire SQUATCH directly with the filmmakers and Glen Reynolds of Circus Road Films.
