

Infopro Learning Named to Training Industry's 2026 Leadership Training Watch List

Infopro Learning has been named to the 2026 Leadership Training Watch List by Training Industry.

NEW JERSEY, NJ, UNITED STATES, March 9, 2026 /EINPresswire.com/ -- Infopro Learning has been named to the 2026 Leadership Training Watch List by Training Industry, a trusted research and information resource for corporate learning leaders.

Training Industry annually announces its Top Training Companies™ lists to recognize the most innovative and impactful providers across critical sectors of the corporate learning marketplace. The Leadership Training Watch List highlights emerging and specialized companies that are delivering distinctive [leadership development](#) solutions to organizations worldwide.

"This recognition underscores the depth and rigor of our Leadership Development practice," said Dan Rust, VP – Leadership of Global Leadership Development, Infopro Learning. "Organizations today require leaders who can drive engagement of overwhelmed employees, communicate with clarity, navigate complexity, and build resilience within their teams. These leaders navigate ambiguity, complexity and continuous change to build high-performing teams. Our focus is on delivering leadership development experiences that are grounded in real business challenges, supported by measurable impact, and sustained beyond the classroom. Being named to this Watch List affirms the meaningful results we are helping our clients achieve."

Infopro Learning's inclusion on the Watch List reflects its continued commitment to designing

Infopro Learning Named to Training Industry's 2026 Leadership Training Watch List

and delivering leadership development programs that address evolving business needs. The company partners with organizations to build leadership capability at multiple levels, aligning learning initiatives with strategic objectives and measurable outcomes.

Training Industry shared the following perspective on this year's recognition:

"The 2026 Leadership Training Watch List recognizes up-and-coming and specialized providers that offer unique leadership development experiences for individuals and organizations alike," said Danielle Draewell, director of market and business intelligence at Training Industry, Inc.

"These companies strengthen leadership capability through a diverse range of learning methods and technologies, from coaching and instructor-led training to simulations, assessments and microlearning."

Infopro Learning's leadership solutions integrate research-based frameworks, experiential learning, coaching, and technology-enabled delivery to support leaders in building critical capabilities such as strategic thinking, decision-making, communication, and team effectiveness.
