

# COMBAT VETERANS OF AMERICA LAUNCHES RATEYOURVSO.COM THE FIRST VETERAN-DRIVEN PLATFORM TO GRADE THEIR VSO REPRESENTATIVES

*CVOA launches RateYourVSO.com, the first free veteran-built platform to search, review, and grade VSO representatives nationwide.*

TERRE HAUTE, IN, UNITED STATES, March 11, 2026 /EINPresswire.com/ -- [Combat Veterans of America](#) (CVOA), a 501(C)19 nonprofit organization, today announced the launch of [RateYourVSO.com](#), the first free, veteran-built platform designed to bring transparency and accountability to the Veteran Service Organization (VSO) accredited representative system.

CVOA was built on the premise that combat veterans deserve institutions that answer to them, not the other way around. RateYourVSO.com gives every veteran a voice during the claims process."

For too long, veterans navigating disability claims and benefits have had no reliable way to evaluate the quality of their accredited representative. Contact information is frequently outdated, representatives are difficult to identify, and there is no peer-based record of performance. RateYourVSO.com fixes that. Veterans can

now search a nationwide VSO database by zip code and service type, leave verified reviews of their representatives, and [create a personal account](#) to track every organization they have worked with.

CVOA is calling on veterans nationwide to use the platform, share their experiences, and help build a peer-driven record of VSO performance that serves the entire veteran community. The organization also invites VSO operators to register and engage directly with the veterans they serve. Accountability, properly applied, strengthens the system for everyone.

Veterans and VSO operators can register for a free account, search for VSOs near them, and leave a review at RateYourVSO.com.
