

# Award-Winning Oak Brook Attorney Expands DuPage County Personal Injury Services

*Scott DeSalvo, named Best Personal Injury Lawyer in Oak Brook 2026, announces expanded services for DuPage County accident and injury victims.*

OAK BROOK, IL, UNITED STATES, March 10, 2026 /EINPresswire.com/ --

Following his recognition as Best Personal Injury Lawyer in Oak Brook 2026 by BusinessRate, Scott DeSalvo of the Law Office of Scott D. DeSalvo, LLC is announcing expanded personal injury representation throughout DuPage County, Illinois — serving communities including Wheaton, Naperville, Downers Grove, Elmhurst, and the surrounding western suburbs.

"DuPage County residents often assume they need to go to Chicago to find serious legal representation for a personal injury case," said Scott DeSalvo, personal injury attorney and Trial Lawyers College graduate with over 25 years of experience helping Illinois injury victims. "My office has been based in Oak Brook for years precisely because I want to be accessible to the people who live and work in this area — not just those who can get downtown."

Suite 204 — serving as the hub for western suburban clients across the county. His practice handles the full range of cases common to the area: car accidents on Route 83 and I-88, slip and fall incidents at commercial and retail properties, workplace injuries at DuPage County's industrial and corporate facilities, and wrongful death claims.

DuPage County sees tens of thousands of traffic crashes annually, with the Illinois Department of Transportation consistently ranking it among the busiest and most crash-prone counties in the state. Despite the volume of serious accidents, many injury victims in the western suburbs delay seeking legal help — often because they are unsure whether their case has value or believe the insurance company will handle things fairly.

“

DuPage County residents shouldn't have to go to Chicago to find serious personal injury representation — that's why I moved my office and have been based in Oak Brook for years.”

"Those resources are there for anyone, whether they call my office or not."
