An inspiring afternoon of art, healing, and philanthropy in Beverly Hills supporting kidney donation awareness and youth mental health.

BEVERLY HILLS, CA, UNITED STATES, March 11, 2026 /EINPresswire.com/ -- [Kings Auctions](#) Beverly Hills is honored to present a special Calligraphy Healing Exhibition with [Dr. & Master Sha](#), taking place on March 28, 2026 in Beverly Hills as part of the [Breed Life](#) Foundation's 15th Annual Charity Event, held in partnership with the We Are Enough Movement.

The exhibition will offer guests a unique opportunity to experience the sacred calligraphy of Dr. and Master Zhi Gang Sha, a Tao Grandmaster, world-renowned healer, and internationally recognized spiritual teacher. His calligraphy is known not only as visual art but as vibrational art, created with intention to support healing, transformation, and inner harmony.

Through ancient Tao wisdom expressed in calligraphy, these works are designed to uplift consciousness and support emotional, physical, and spiritual well-being. Many people who spend time with the calligraphy describe the experience as deeply calming, centering, and uplifting.

Guests attending the exhibition will have the opportunity to explore how sacred calligraphy may support:
