ORLANDO, FL, UNITED STATES, March 16, 2026 /EINPresswire.com/ -- Spring break is almost here, and people are changing the way they celebrate. Instead of trying to get into packed restaurants, more people are choosing private, at-home hibachi experiences. [Friendly Hibachi Chef at Home](#) is all about this fast-growing trend, which brings the energy and fun of a hibachi restaurant straight to backyards and dining rooms across Florida.

Hosting a private hibachi experience at home gives guests the comfort of their own space, no wait times, and the freedom to invite as many people as they want. Florida's warm spring weather also makes outdoor dining ideal. Add in the entertainment of [a live hibachi performance](#), and it's clear to see why this option is gaining in popularity.

"Spring break has always been a busy season in Florida, but 2026 shows a shift toward private, at-home dining," says Friendly Hibachi Chef at Home owner Libing Cao. "People want a convenient and fun experience that

feels personal, fun, and memorable.”

Bookings for spring break 2026 are reflecting just how creative hosts are getting with private dining. For example, one family will turn their backyard into a hibachi dining spot for a reunion. A different group of friends, staying at a vacation rental, will hold a late-night celebration dinner.
