

# BingerLabs Unveils PRO Line: The Next Step in the Evolution of Pain Recovery & Restorative Wellness

*Science-Driven Performance Solutions  
Rooted in the Integration of Mind, Body,  
and Spirit*

LOS ANGELES , CA, UNITED STATES,  
March 11, 2026 /EINPresswire.com/ -- A  
recognized leader in science-driven  
wellness for over a decade, BingerLabs  
unveils the launch of its newest  
breakthrough collection: the PRO Line,  
engineered to support pain recovery,  
inflammation balance, and restorative  
sleep.

Built on a foundation of precision  
manufacturing and uncompromising  
quality standards, the PRO Line reflects a performance based approach to long term  
wellness—one that integrates physical recovery with neurological balance and restorative rest.

“

Wellness is not isolated to  
one system of the body. It is  
a dynamic connection  
between the mind, physical  
body, & spirit that sustains  
us. The PRO Line was  
created to support that full  
integration.”

*Dr. Marverly Pierson, PhD,  
Founder & CEO of BingerLabs*

Introducing BingerLabs PRO Line:

PRO Strength Patch

Advanced transdermal technology designed to support pain recovery and inflammation response with sustained, targeted delivery—promoting comfort, mobility, and resilience throughout the day.

PRO Sleep Patch

Formulated to support nervous system balance and deeper, more restorative sleep—because the body heals best when it can fully reset and repair.

PRO Strength Roll-On & Lotion

Fast acting topical formulas designed to relieve discomfort and reduce inflammation, helping individuals move better, recover faster, and maintain peak performance.

The BingerLabs PRO Line is now available online and through select wellness partners. Consumers and wellness professionals are invited to explore the collection and experience the next evolution in science-driven recovery and restorative wellness.

To learn more about the full product line and the philosophy behind BingerLabs' integrated approach to health, visit: [BingerLabs.com](https://www.BingerLabs.com)

Consumers can also follow @BingerLabs on Instagram and [TikTok](https://www.tiktok.com/@BingerLabs) for product education, recovery tips, and behind-the-scenes wellness insights.

The brand has also launched its official [TikTok Shop](https://www.tiktok.com/@BingerLabs), allowing customers to explore and purchase the PRO Line directly through the platform.

For over a decade, BingerLabs has distinguished itself by engineering results, not chasing trends. This launch reflects the company's continued commitment to delivering innovative, science-forward solutions that empower individuals to take control of their recovery and overall well-being.

Central to this evolution is Founder and CEO Dr. Marverly Pierson's philosophy that true wellness is achieved through the alignment of mind, body, and spirit.

"Wellness is not isolated to one system of the body," said Dr. Marverly Pierson, PhD, Founder and

Dr. Marverly Pierson, PhD, Founder and CEO of BingerLabs

BingerLabs

CEO of BingerLabs. “It is a dynamic connection between the mind, the physical body, and the spirit that sustains us. The PRO Line was created to support that full integration—reducing inflammation, enhancing restorative sleep, and helping individuals feel balanced, strong, and resilient from the inside out. When recovery honors the whole person, performance naturally follows.”

Under Dr. Pierson’s leadership, BingerLabs has expanded from CBD innovation into holistic wellness and organic skincare while also serving as the official CBD sponsor of the BIG3 basketball league.

A respected leader in community centered wellness, Dr. Pierson is also the founder of Do It Now Fitness, a thriving gym dedicated to empowerment, movement, and accessible health.

The launch of the PRO Line signals more than a new product collection—it represents a more intentional future for recovery, resilience, and long-term vitality.

Stronger days. Deeper nights. Smarter recovery.

The future of wellness starts now.

#### About BingerLabs

BingerLabs is a science-driven wellness company with more than 14 years of innovation in performance, pain recovery, and restorative health. Founded by Dr. Marverly Pierson, PhD, the company integrates precision formulation with a holistic philosophy that connects mind, body, and spirit.

BingerLabs develops advanced transdermal, topical, and recovery solutions designed to support inflammation balance, mobility, and restorative sleep. Committed to quality, integrity, and community centered wellness, the company continues to redefine modern recovery.
