"The GAF Master Elite® President's Club Award is a badge of honor for contractors who prioritize quality and service above all else, distinguishing themselves among the rest," says Jim Durkin, Chief Customer Experience Officer. "This award is reserved for the top tier of roofing contractors nationwide, reflecting a deep-seated commitment to maintaining the highest standards for their employees and every customer they serve."

GAF Master Elite® President's Club Award winners are selected from an elite group of roofing contractors that must first demonstrate proper licensing (in states that require it), maintain insurance, a proven reputation, and a commitment to ongoing professional training. In addition, qualifying contractors must also have met the criteria to earn the designation of a GAF Master Elite® residential contractor.

GAF 3-Star President's Club Award is one of the most prestigious honors in the roofing industry, recognizing only the best-of-the-best Master Elite contractors across the country. Earning the coveted 3-Star designation, the highest tier available, requires exceptional performance in quality, customer satisfaction, and professional excellence. While many contractors strive to reach this level, Elite Roof and Solar has achieved it repeatedly, cementing its reputation as Charlotte and the Carolina's premier roofing and solar company.

"We are incredibly proud to receive this recognition from our manufacturing partner, GAF, yet again," said Mick Koster, President, Elite Roof and Solar.
