IGPfunk and MyTicket.asia Announce Three Landmark Concerts Coming to Kuala Lumpur — And the Lineup Is Nothing Short of Extraordinary

“

Can't wait for May 10 at Mega Star Arena KL — ready to vibe with K-Clique and AFUSIC as PAL PAL takes over the night!"

Lionel

There are concert seasons, and then there are moments that define a city's cultural calendar. This summer, Kuala Lumpur is getting the latter.

IGPfunk, in partnership with Southeast Asia's leading ticketing platform MyTicket.asia, has unveiled an ambitious three-concert series that reads less like an event schedule and more like a manifesto for what live music in the region can — and should — look like. Spanning May through July

2026, the series unfolds across two of KL's most storied stages: Mega Star Arena and the iconic Stadium Merdeka, bringing together Bollywood's most beloved voice, the raw electricity of cross-border urban hip-hop, and the sweeping cinematic grandeur of one of South India's greatest composers.

And to welcome the festive season in true style? A Duit Raya treat for early fans — exclusive Hari Raya discounts on tickets across both shows, available for a limited time only. Book before 31st March 2026 and celebrate the season with savings that are as generous as the lineup itself.

Three nights. Three genres. One city. Zero compromises.

Act I: Jubin Nautiyal Live in Kuala Lumpur
Saturday, 9 May 2026 | Mega Star Arena, Kuala Lumpur

Few voices in contemporary Bollywood carry the weight that Jubin Nautiyal's does. His is a voice that doesn't just perform songs — it inhabits them, turning chart-toppers into confessions and concert arenas into something far more intimate.

This May, Malaysia gets its moment with him.

Backed by premium production — world-class sound engineering, immersive visuals, and a setlist that spans his most iconic releases — Jubin's KL debut promises to be the kind of evening fans will be talking about long after the lights go down. Expect tributes to his most beloved tracks, unexpected arrangements, and the kind of raw emotional delivery that has made him one of Hindi music's most streamed artists alive today.

Tickets available now at igpfunky.com and official partners.

Act II: Urban Hip Hop Festival — AFUSIC × K-CLIQUE

Sunday, 10 May 2026 | Mega Star Arena, Kuala Lumpur

The weekend doesn't end — it escalates.

Twenty-four hours after Jubin closes out Mega Star Arena, a completely different energy takes the stage. Pakistan's viral phenomenon AFUSIC — the force behind the global streaming smash "PAL PAL" — crosses borders for a rare live collision with Malaysia's own hip-hop vanguard, K-CLIQUE. The result? A night that doesn't just celebrate urban music, but proves, loudly, that the genre has no geography.

High-octane. Cross-cultural. Unapologetically bold. This is the urban hip-hop event the region has been waiting for.

Act III: Harris Jayaraj Reloaded — Live in Concert
Friday, 4 July 2026 | Stadium Merdeka, Kuala Lumpur
And then comes July — and with it, something truly monumental.

At the legendary Stadium Merdeka, acclaimed film music composer Harris Jayaraj takes the stage for a full-scale orchestral spectacle. This is not a greatest hits show. Reloaded is a reimagining — sweeping arrangements, reborn classics, and new sonic landscapes drawn from a catalog that has shaped South Indian cinema for over two decades. With massive production values worthy of the venue's historic legacy, this is the concert that will set the bar for every large-format show that follows it.

Tickets available at igpfunky.com and official channels.
