

Global Gaming Data Launches Nationwide Lottery Scratch Ticket Data With LottoEdge

Digital publishers can now display interactive daily lottery scratch ticket data alongside traditional lottery draw game results in 44 U.S. states.

TAMPA, FL, UNITED STATES, March 16, 2026 /EINPresswire.com/ -- Global Gaming Data, a leading provider of [lottery results](#) and [lottery data](#), is pleased to announce they have completed the technical integration of the LottoEdge [scratch ticket](#) lottery data platform for U.S. scratch ticket games. This new scratch ticket data, which accompanies Global Gaming Data's traditional draw game lottery data, gives digital publishers across America the most comprehensive lottery player data platform ever assembled.

Consumers can now access up to date information on scratch ticket games covering 44 U.S. states, including odds of winning, remaining prizes, prize payouts, and more.

FL Scratch Ticket Games

"Partnering with LottoEdge and bringing their best of breed lottery scratch ticket data into our interactive lottery data systems is a game-changer for digital publishers looking to provide lottery players with the information they seek out every day," said John Brier, Global Gaming Data's CEO. "For consumers who play the lottery, either scratch ticket games or traditional draw games, this new product suite represents the best lottery results and information platform available in the United States," added Brier.

The scratch ticket platform includes, where available:

- * Overall Game Odds – Chances of winning any prize
- * Remaining Prizes – Daily updates of unclaimed prizes
- * Prize Payout (Return to Player) – Percentage of game sales paid as prizes
