Free and open to the public, Art on the Square will transform the historic campus into an open-air gallery featuring original works by approximately 50 fine artists from across the country. Thousands of visitors are expected to stroll the grounds, meet artists, acquire original art, enjoy live music, and take in refreshments.

Produced by Marusca Gatto, Cultural Arts Director at Cornell Art Museum, Art on the Square builds on a proven track record of six successful fine art shows produced between 2017 and 2020.

"Cornell Art Museum's Art on the Square fine art show welcomes regional artists as well as national artists who travel south to our beautiful historic arts campus in the heart of downtown Delray Beach," said Gatto. "Our goal is to bring the community together and visitors to Downtown Delray Beach by offering many diverse art talents in one location, including our regional non-profit art groups, engaging and discussing their work with curious art collectors."

In addition to fine art, Art on the Square will feature a variety of interactive and community-

focused experiences, including:

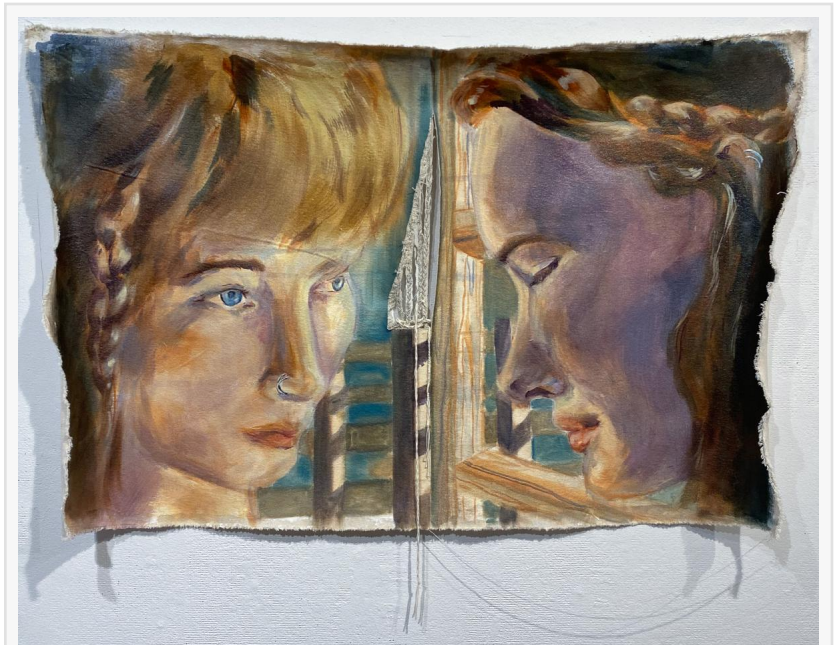

- Kids Space with interactive art activities and face painting
- Live painting by mural artists and nonprofit Urban Sketchers throughout the weekend
- Live music performances
- Awards presentation recognizing winning artists
- Gourmet Café in the Concession Building offering wine, beer, and gourmet bites
- Participation from local nonprofits, including Art Connect, Urban Sketchers, and Creative Art School.

The Cornell Art Museum also introduced an "Emerging Artist" Program, which provides select artists with a complimentary tent and exhibition space to display and sell their work alongside professional artists. The program offers meaningful exposure and the opportunity to present work in a juried exhibition setting that celebrates creativity, talent, and artistic growth.

The City of Delray Beach purchased the historic building on the Old School Square campus from the Palm Beach County School District in 1987.
