*Titan CEO and headline sponsor Wipfli are pleased to announce the 2026 Colorado Titan 100*

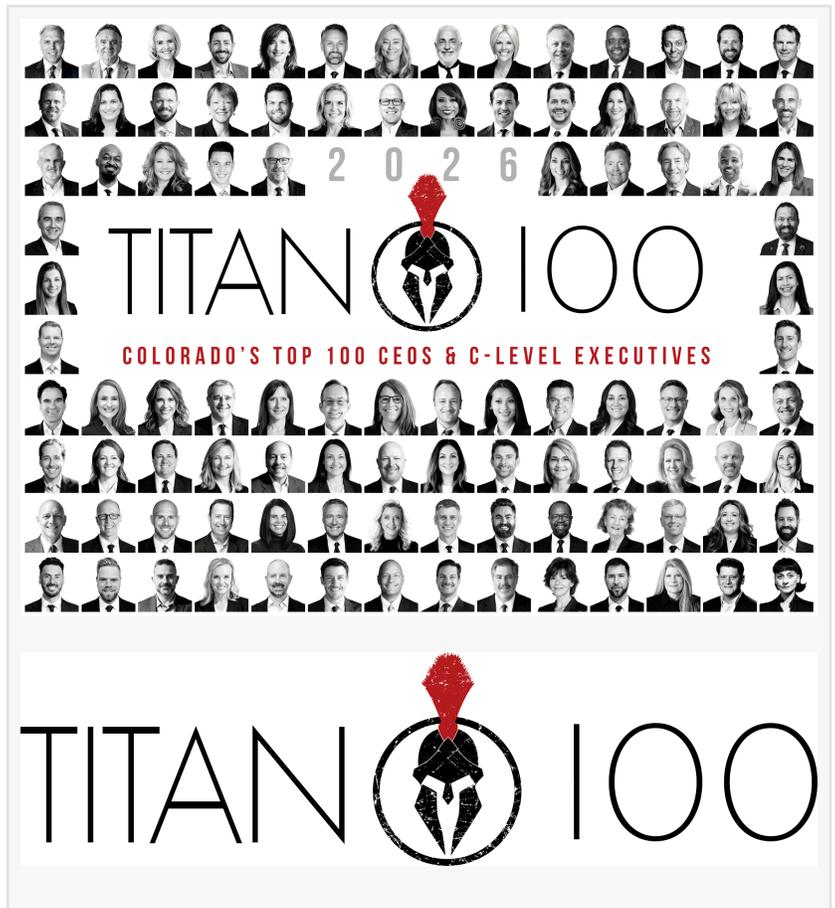

DENVER, CO, UNITED STATES, March 19, 2026 /EINPresswire.com/ -- [Titan CEO](#) and headline sponsor [Wipfli](#) proudly announce the 2026 Colorado [Titan 100](#), a celebration of visionary leadership, relentless innovation, and the courage to build beyond boundaries.

The Titan 100 recognizes Colorado's Top 100 CEOs and C-level executives, the region's most accomplished leaders who have not only built extraordinary companies but have redefined what it means to lead. These Titans exemplify excellence through their vision, passion, and integrity, creating lasting impact across industries and communities.

Collectively, the 2026 Colorado Titan 100 honorees and their companies generate more than \$20 billion in annual revenue and employ over 266,000 individuals across the region and beyond, with more than half exceeding \$35 million in annual revenue.

"This year's Titans represent more than success. They embody resilience, purpose, and transformation," said Jaime Zawmon, President of Titan CEO. "Being a Titan is not just a title; it is a mindset, a way of leading with courage, serving with integrity, and creating something that outlasts you. It is about lifting those around you and leaving a legacy that inspires others to rise. These leaders stand as proof that the future of business is driven by those who turn vision into lasting impact."

Spanning industries from construction, manufacturing, finance, and technology to healthcare,

education, and nonprofit leadership, this year's Titan 100 honorees reflect the full diversity and strength of Colorado's business community.

The 2026 Colorado Titan 100 Awards will be held on June 4th, 2026, at The National Western Center - LVC Arena. This elegant, cocktail-style awards event will unite 100 Titans of Industry for an unforgettable evening of inspiration, camaraderie, and connection. It is more than an event; it is a gathering of leaders who elevate one another and redefine excellence.

"On behalf of the entire team at Wipfli, we extend our heartfelt congratulations to the Titan 100 winners. It is a privilege to celebrate this remarkable group of leaders within Colorado's business community. We

deeply value the enduring contributions each leader has made, and continues to make, in shaping significant organizations both locally and globally. Your innovation and creativity distinguish you, and the recognition as an industry Titan is truly well-earned," says Pete Aden, Partner at Wipfli.

“

Being a Titan is not just a title; it is a way of leading with courage, serving with integrity, & creating something that outlasts you. It is about lifting those around you & leaving a legacy.”

*Jaime Zawmon, President of  
Titan CEO*

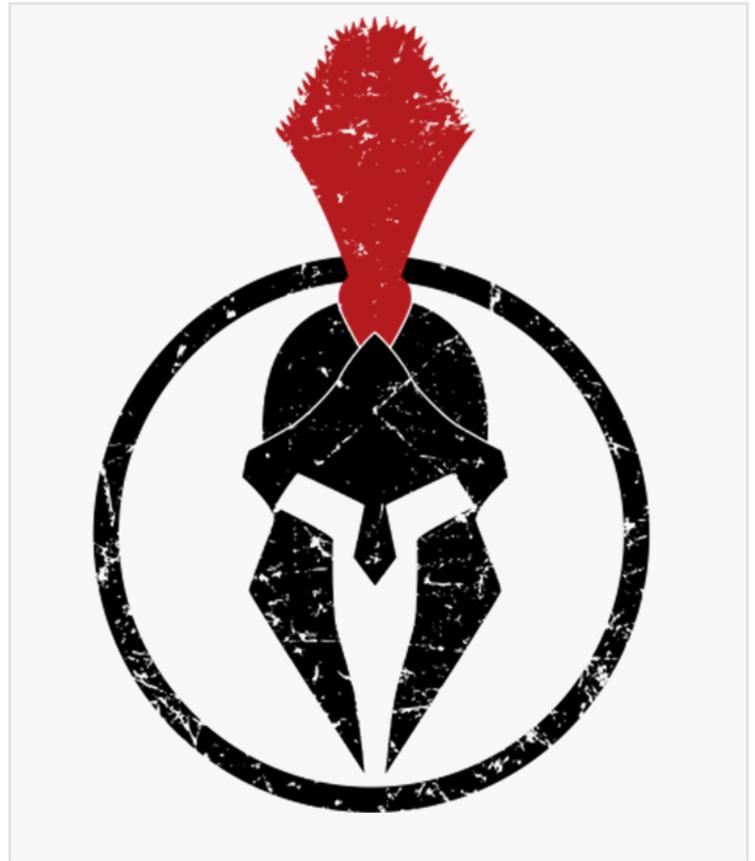

In addition to recognizing 100 Titans of Industry, Titan CEO will induct ten honorees into the prestigious Titan 100 Hall of Fame, a distinction reserved for leaders who have consistently demonstrated the highest standard of excellence over three consecutive years. Hall of Fame members are selected through a rigorous on-camera interview process that captures their authenticity, insight, and impact before a live judging committee.

The Titan 100 Hall of Fame represents a class of elite executives who have not only achieved business success but have inspired transformation in others, building

organizations that uplift their people and communities.

Hall of Fame recipients are denoted with an asterisk (\*) in the official Titan 100 publication.
