

Rapawzel Dog Grooming & Daycare Opens New Location on Manhattan's Upper West Side

Upper West Side pet owners are invited to visit Rapawzel at 211 W 80th St and experience the difference firsthand.

NEW YORK, NY, UNITED STATES, March 19, 2026 /EINPresswire.com/ -- Rapawzel Dog Grooming & Daycare, one of New York City's most trusted names in professional pet care, has officially opened its newest salon and [pet daycare center](#) at 211 W 80th St, New York, NY 10024 — right in the heart of the Upper West Side, just a short walk from Central Park, Riverside Park, and the American Museum of Natural History. The new location is now open and welcoming dogs and cats seven days a week.

A Neighborhood That Loves Its Pets — Now with a Salon to Match

The Upper West Side has long been one of the most pet-friendly neighborhoods in New York City. From morning walks along the Hudson River to off-leash hours in Central Park, UWS residents know that their dogs are as much a part of the community as anyone.

Rapawzel's new 80th Street location was built with exactly that lifestyle in mind — a professional, caring space where busy UWS pet owners can drop off their furry family members and know they're in the best hands.

"We've always admired the deep bond that Upper West Side families have with their pets," said a spokesperson for Rapawzel. "This neighborhood deserves a grooming and daycare experience that matches its standards, and we're proud to finally be here. Whether your dog needs a bath after a muddy run in Riverside Park or your cat is due for a trim, we're ready."

Full-Service Pet Care, All Under One Roof

The new Upper West Side location offers the full suite of Rapawzel's signature services, including:
