

Priority1 Group Strengthens Commitment to NDIS Providers with Dedicated Outsourcing Solutions

The Australian outsourcing leader expands its specialised NDIS support services, empowering disability service providers to focus on participant care...

QUEENSLAND, AUSTRALIA, March 19, 2026 /EINPresswire.com/ -- Priority1 Group, a leading Australian outsourcing company renowned for delivering expert solutions across bookkeeping and accounting, digital marketing, website design and development, and HR and compliance, today reaffirms its commitment to the disability services sector through its comprehensive [NDIS Outsourcing solutions](#). Designed specifically to address the unique operational and regulatory demands faced by NDIS providers, the service offering enables organisations to streamline administration, maintain compliance, and redirect their energies towards delivering exceptional participant outcomes.

Addressing a Critical Need in the NDIS Sector

The National Disability Insurance Scheme (NDIS) is one of Australia's most significant social reforms, yet managing the administrative, financial, and compliance requirements associated with NDIS registration continues to place a considerable burden on service providers. Many organisations find themselves stretched between fulfilling their duty of care to participants and navigating an ever-evolving regulatory landscape.

“The NDIS sector requires partners who understand both compliance and growth. At Priority1 Group, we support providers with structured back-office operations and strategic digital marketing — helping them stay compliant while consistently growing their participant base.” — Pravin Kerai, Director, Priority1 Group

A Holistic Outsourcing Partner for Sustainable Growth

Priority1 Group's NDIS Outsourcing service forms an integral part of the company's broader suite of business solutions. By combining specialised NDIS expertise with capabilities in digital marketing, website design and development, and strategic HR and compliance advisory, Priority1 Group offers NDIS providers a truly holistic outsourcing partnership, one that supports both operational sustainability and long-term organisational growth.

The company's approach is grounded in personalised service delivery, underpinned by cutting-edge technology and a proactive advisory philosophy. Clients benefit from a dedicated team that scales its support in line with evolving organisational needs, providing stability and reliability at every stage of growth.

“For NDIS providers, the administrative burden should never come at the expense of participant care. Our mission is to remove that burden entirely, delivering seamless, expert back-office support so our clients can focus on what matters most: making a meaningful difference in the lives of the people they serve.” — Pravin Kerai, Director, Priority1 Group

Availability and Engagement

Priority1 Group's NDIS Outsourcing service is available to registered and unregistered NDIS providers across Australia. Organisations interested in exploring how Priority1 Group can support their operations are encouraged to reach out directly to schedule an obligation-free consultation.
