

ISMRM and ISMRT Announce 2026 Election Results

CONCORD, CA, UNITED STATES, March 20, 2026 /EINPresswire.com/ -- The International Society for Magnetic Resonance in Medicine (ISMRM) announces the results of its 2026 election, confirming the newly elected Board of Trustees. The election also includes newly elected leadership for the International Society for MR Radiographers & Technologists (ISMRT), a section of ISMRM.

The [ISMRM Board of Trustees](#) represents a globally diverse group of leaders across clinical practice, research, physics, engineering, and emerging technologies. Together, these individuals reflect the Society's multidisciplinary foundation and its commitment to advancing magnetic resonance for the benefit of patients and global health.

ISMRM Board of Trustees:

Vice President-Elect: Linda Moy, M.D., USA

Board of Trustees Members:

- Clinician from Outside North America, Mami Iima, M.D., Ph.D.
- Clinician from Within North America, Christopher G. Filippi, M.D.
- Scientist from Outside North America, Dimitrios Karampinos, Ph.D.
- Scientist from Within North America, Anthony Christodoulou, Ph.D.

In parallel, ISMRT has confirmed its newly elected leadership, representing a global network of radiographers and technologists dedicated to advancing clinical MRI practice, education, and patient care.

[ISMRT Governing Board:](#)

President-Elect: Jacob Cameron, M.Sc., New Zealand

Governing Board Members:

- Johan Kihlberg, Ph.D., R.N.(R), Sweden
- Karabo Phyyo Mokoena, Diagnostic Radiography, South Africa
- Nathan Ooms, R.T.(R)(MR), USA

Together, ISMRM and ISMRT's [mission](#) is to advance magnetic resonance in medicine through interdisciplinary collaboration, innovative research, and education, with a vision to drive

innovation in magnetic resonance to improve global health. The Society's values—international, interdisciplinary, innovative, inclusive, and sustainable—are reflected in its leadership and global community.
