## Kvation's Top 5 Kosher Vacation Destinations for Summer 2026

### 1. Catskills, New York

The Catskills remain the undisputed capital of kosher summer vacation rentals in the United States. With a deep-rooted history as a destination for observant Jewish families, the region offers an unmatched combination of kosher dining, established Jewish communities, shuls, and natural outdoor beauty. Demand for Catskills kosher rentals peaks earlier each year, families looking for the best properties in the most sought-after areas are advised to book as early as possible.

### 2. Monsey, New York

Monsey has emerged as a top summer rental destination for observant families who want full community immersion without sacrificing comfort. With one of the largest and most established Ultra Orthodox communities in the country, Monsey offers abundant glatt kosher food options, multiple shuls within walking distance, and eruv coverage, making it ideal for families who want the feel of home with the freedom of a vacation rental. Properties here are particularly popular with families visiting relatives or attending community events over the summer.

### 3. Casa Grande, Arizona

Casa Grande has quietly become one of the most talked-about emerging kosher summer destinations in the country. Located between Phoenix and Tucson, the area offers a growing number of kosher vacation rental properties with spacious layouts ideal for families. Arizona's dry summer heat is best enjoyed from well-equipped rentals with pools and air conditioning, and the region's lower summer tourism rates compared to peak winter season make it an increasingly attractive option for observant families seeking value without compromising on kosher standards.

### 4. Jerusalem, Israel

For observant families, a summer in Jerusalem is in a category of its own. With world-class mehadrin kosher dining, Jewish history at every turn, and a vibrant summer atmosphere, Jerusalem remains one of the most sought-after kosher vacation rental destinations globally. Jerusalem kosher rentals offer families the comfort and mehadrin kashrut standards of a kosher rental alongside the unparalleled experience of spending the summer in Israel. Families planning a Jerusalem summer rental are strongly encouraged to book months in advance as inventory is highly competitive.

### 5. Florida - The Summer Hidden Gem

Florida is best known as a winter destination for observant Jewish families, and for good reason, its warm weather, strong Jewish communities, and abundant kosher infrastructure make it one of the most popular winter getaway markets in the country. But savvy families are increasingly discovering that summer in Florida offers a compelling value proposition. With winter visitors gone, summer rental rates drop significantly across South Florida and other key markets, while the state's vast selection of indoor attractions, world-class shopping, theme parks, and year-round glatt kosher dining remain fully available. For families who enjoy the Florida sun and want to stretch their vacation budget, summer is Florida's best-kept secret.

## Tips for Booking a Kosher Summer Vacation Rental in 2026

- Book early.

The best kosher rental properties in the Catskills, Monsey, and Jerusalem are already receiving bookings for summer. Waiting until May or June significantly limits available inventory.

- Use a kosher-specific platform.

General rental platforms don't check for kosher kitchen status, eruv proximity, or Shabbos accessibility. [kvation.com](https://kvation.com) is built specifically for kosher observant travelers, connecting observant families with observant hosts who confirm their properties meet mehadrin kosher standards.

- Kosher kitchen options vary by property.

Kvation lists fully kosher kitchens and properties with locked kosher cabinets for mixed-use kitchens, all maintained by a kosher observant host or kashered/setup by a rabbi.

- Check the eruv status before booking.

Kosher rental listings often include eruv information. For rentals that don't, confirm with a local rabbinic contact or community shul.

- Plan Shabbos meals in advance.

Kosher vacation rentals are often listed near kosher grocery stores, butchers, and restaurants. Always verify this in the rental listing or research the area beforehand so your family is never far from what you need.
