amazing deep tissue massages that actually make a difference. The setting is always peaceful and welcoming, making it easy to relax as soon as I walk in. I especially appreciate the cupping therapy she offers — it really helps with muscle tension. If you're looking for a good massage therapist, I definitely recommend her."

"I had massage treatment for some sciatica issues I was having. Frankie was very thorough with initial treatment discussions and keeping in touch with me on how I was doing while she was doing some deep manipulation of tight muscles. A day has passed and I can feel that the work was beneficial. In addition, I would describe my experience as friendly and professional. I fully expect to return for more treatment."

"Karen did a great job listening to my needs and targeting my pain points in the deep tissue massage. It's a very fair price to get the healing my back was in desperate need for. I definitely recommend her services to anyone that needs a bit of relief. After two sessions I feel like a completely different person."
