Unlike one-time cooking services or meal delivery companies, Prep & Palate operates on a consistent, recurring schedule, providing dependable weekly meal preparation directly in clients' own kitchens.

Every meal is prepared onsite never in a commissary kitchen and never through delivery. Clients maintain full control over ingredients, sourcing preferences, portion sizes, and dietary standards. No pre-packaged meals, no shared cooking spaces, and no mass production only customized dishes prepared exclusively for each household.

Each client relationship begins with a detailed consultation to review dietary needs, preferences, and scheduling routines. Designed specifically for time-constrained professionals and active families, the weekly model removes the burden of shopping, planning, and cooking while preserving privacy and personalization. Ongoing service ensures consistency and long-term support rather than occasional or event-based visits.
