LOS ANGELES, CA, UNITED STATES, March 25, 2026 /EINPresswire.com/ --

Vroozi, a leading provider of [AI-powered procurement and accounts payable automation solutions](#), today

announced its inclusion in Forrester's The Supplier Value Management Platforms Landscape, Q1 2026 report.

Vroozi Named in Q1 2026 Supplier Value Management Platforms Landscape

“Most procurement tools were built for the way companies operated fifteen years ago,” said Shaz Khan, Co-founder and CEO of Vroozi. “What we hear from customers is that they're done with clunky systems that slow them down. For us, being included in Forrester's research is a good signal that the market is catching up to what we've been building – a platform that uses AI to do the heavy lifting and gets out of people's way.”
