Prime 1 Studio adds IVY from
"SOULCALIBUR VI" to the Real Elite
Masterline lineup.

Based on her appearance in the game, this 1/4 scale statue depicts IVY wielding the whip-form magic sword, the IVY BLADE, in a pose inspired by the character visual. The composition is built around a twisting torso and a planted right foot to convey motion and balance.

The sculpt and paintwork emphasize key facial and costume details, including flowing silver hair, patterned irises, and a glossy lipstick finish. The costume features purple-toned coloring and carefully defined textures across the outfit.

The special base is inspired by the "Shrine of Eurydice: Cloud Sanctuary," a stage featured in the series. Display options include a swappable upper body and a swappable head, along with a Background Stand and a Bust Stand for varied presentation.
