The new pop-rock album explores love, hope, and emotional connection through uplifting storytelling and dynamic vocals.

LOS ANGELES, CA, UNITED STATES, March 31, 2026 /EINPresswire.com/ -- Kole Dunn Announces Fourth Album "Heaven," Set for April 3 Release.

Rock/Power Pop singer songwriter Kole Dunn returns with his fourth independent album, "Heaven," arriving on all major streaming platforms April 3, 2026.

Known for his distinctive vocal style and seamless blend of rock, pop, and R&B influences, Kole delivers a project that is both uplifting and emotionally resonant. "Heaven" explores themes of love, vulnerability, and the universal desire to be accepted for one's inner light rather than judged for imperfections.

Rooted in authentic and accessible storytelling, the album balances optimism with introspection. Tracks like "The Bright Side" offer encouragement and positivity, while "Lookin' For The Light" reflects a spirit of resilience and hope. The title track, "Heaven," captures the carefree essence of young love with a sun-soaked, California coastal energy, while "Good Thing" delivers a vibrant, feel-good take on romantic connection.

Through expressive vocals and heartfelt lyricism, Kole creates a dynamic emotional journey. Lines such as "I've got what you want / I've got what you need / like a rhythm in your soul / like the air you want to breathe" highlight the album's central message: a longing to be truly seen and valued beyond surface flaws.

Speaking on the inspiration behind the project, Kole shared that "The Bright Side" was written to
