

Caliber Signs & Imaging Expands Services with Specialized Signage Solutions for Multifamily Housing Developments

Designed for multifamily property owners and developers, the new signage solutions streamline branding, wayfinding.

IRVINE, CA, UNITED STATES, March 30, 2026 /EINPresswire.com/ -- Caliber Signs & Imaging, a full-service sign company founded in 2009, has expanded its offerings with specialized [multifamily housing signage solutions](#) designed to meet the unique needs of apartment complexes, residential developments, and property management teams. This launch delivers turnkey signage services that enhance branding, wayfinding, and overall resident satisfaction for multifamily communities.

The new service addresses common challenges faced by property developers and managers, such as inconsistent branding across multiple buildings, unclear wayfinding for residents and visitors, and the need for durable, visually appealing signage that complies with local regulations. By offering custom signage for apartment complexes, Caliber Signs & Imaging provides a comprehensive solution that blends creativity, functionality, and cost efficiency.

“

Our Caliber approach is to contribute value to your complete corporate image by understanding your marketing objectives to maximize your message and brand awareness”

said Martin Neil, Owner at Caliber Signs & Imaging.

“Our Caliber approach is to contribute value to your complete corporate image by understanding your marketing objectives to maximize your message and brand awareness, which leads to positive purchase decisions from your target customers,” said Martin Neil, Owner at Caliber Signs & Imaging.

Solutions Designed to Enhance Every Multifamily

Property

Custom Signage for Apartment Communities
From [monument signs](#) to [interior wayfinding](#), each sign is tailored to reflect the property's unique identity while enhancing the resident experience.

Turnkey Design and Installation

Caliber Signs & Imaging manages the entire process, from initial concept and material selection to professional installation and maintenance.

Scalable and Flexible Signage Systems

Solutions are designed to grow with multifamily developments, integrating seamlessly across multiple buildings and locations.

Branding and Wayfinding Optimization

Clear, cohesive signage helps residents and visitors navigate communities while reinforcing the property's brand.

Compliance and Durability

All signage meets local codes and accessibility requirements, using high-quality materials built to last in diverse environments.

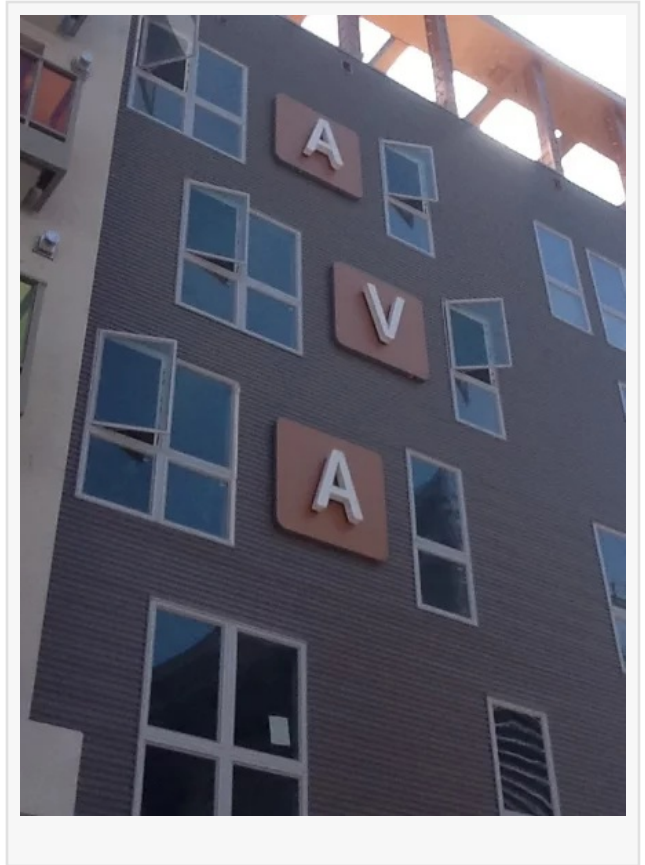

Client Testimonials Highlight Success and Future Growth

Early clients have shared positive experiences with Caliber Signs & Imaging's multifamily signage solutions, highlighting professionalism, efficiency, and high-quality results.

"Caliber Signs did a fantastic job with our signs. From the start they were very fast and easy to work with. The installer Jonathan was very efficient and professional! Would recommend them to anyone who needs signage!" — Monica Meyer

"I would highly recommend Caliber Signs and Imaging. Not only is their workmanship superior, they are timely and provide the most excellent customer service. Our rear window signage looks great and is easy to read. Exactly what we wanted. Mary is so friendly and professional. Thank you!!!!!" — Jo Holman

Caliber Signs & Imaging plans to expand these specialized multifamily signage solutions across California and neighboring states, offering additional services such as digital signage integration, sustainability-focused materials, and ongoing maintenance programs for property managers.

About Caliber Signs & Imaging

Founded in 2009 and based in Irvine, CA, Caliber Signs & Imaging is a full-service commercial signage company serving multifamily developers, property managers, and businesses across the region. The company specializes in both interior and exterior signage, providing custom building signage solutions, branding, and wayfinding signage for multifamily housing and turnkey signage services for residential communities.

Caliber Signs & Imaging stands out in the signage industry through its unique combination of creativity, operational excellence, and customer-focused service. The team operates under OSHA/IIPP safety standards, holds a Green Certificate for environmental sustainability, and maintains a valid contractor's license to ensure all projects meet code requirements and protect client interests. With over 20 years of business management experience and a decade of sign-making expertise, Caliber Signs & Imaging promises to "Display Your Brand Fantastically."
