

Arizona Residents Claim up to \$3062 for 2025 Write Off Donations for Purpose-Driven School Tuition Organizations

Arizona taxpayers can claim a dollar-for-dollar tax credit for 2025 by donating to a School Tuition Organization before April 15 and filing Form 323.

FOUNTAIN HILLS, AZ, UNITED STATES, March 31, 2026 /EINPresswire.com/ -- Arizona taxpayers have a powerful opportunity to reduce their 2025 state tax liability while directly supporting K-12 students in need. Through the Arizona School Tuition Organization (STO) tax credit program, individuals can make a dollar-for-dollar tax credit donation—not a deduction—by contributing to Community Reinvestment: Low Income Based Scholarships Inc..

This is not just a donation—it's a direct reinvestment of tax dollars into the students who need it most."

Carly Bodmer

Unlike traditional charitable deductions, this program allows taxpayers to redirect what they already owe in Arizona state income taxes to provide scholarships for qualifying students.

How the Arizona Individual Tax Credit Works

Arizona residents can claim the following 2025 tax credit limits:

\$1,535 for single filers

\$3,062 for married filing jointly

Donations can be made up until April 15, 2026, and still be applied to 2025 Arizona state taxes.

To claim the credit:

Make a contribution to a certified School Tuition Organization like Community Reinvestment: Low Income Based Scholarships Inc.

Receive a receipt for your donation

File Arizona Form 323 with your state tax return

Why This Matters Now

Arizona's STO program is one of the most effective ways for taxpayers to maximize their financial impact without increasing out-of-pocket spending. Every dollar contributed directly offsets state tax liability—meaning taxpayers can owe less (or receive more back) while funding scholarships.

A Focus on Low-Income and Foster-Care Students

Community Reinvestment: Low Income Based Scholarships Inc. stands apart as the only Arizona School Tuition Organization that exclusively serves qualifying low-income and foster-care K-12 students.

The Only School Tuition Organization To Only Fund Students From Low-INcome Families and Foster Care

Eligibility is based on strict income guidelines tied to 185% of the Federal Poverty Level, ensuring scholarships reach families with the highest financial need.
