LOS ANGELES, CA, UNITED STATES, April 2, 2026 /EINPresswire.com/ -- California-based law firm [Sklar Kirsh LLP](#) announced today that the chair of its litigation practice, [Elan Bloch](#), has been recognized as a “Leading Commercial Litigator” by the Daily Journal in its 2026 special feature. “The attorneys featured here have built careers on bet-the-company cases - with outcomes that matter for their clients, their industries and the law itself,” states the publication. “Honorees were selected based on impact, professional contribution, public service and a commitment to reflecting the diversity of California's legal community.”

Elan Bloch

Elan represents clients across a dynamic range of complex commercial matters, from real estate and partnership disputes to trade secret and unfair competition claims in both state and federal courts. Known for his tenacious advocacy and strategic insight, Elan emphasizes the human element often found at the center of high-stakes legal battles.

“A business partnership can in many ways resemble a marriage, and disputes in these contexts can likewise be very emotionally charged,” Elan shared with the Daily Journal. He noted that navigating these sensitivities is a hallmark of his practice, adding, “A consistent challenge in these cases includes tempering emotions and restoring a business-minded and practical approach to considering options.”

Beyond the courtroom, Elan serves as outside general counsel to corporate and individual clients. Recently, Elan was recognized in The Legal 500 “Los Angeles Elite.”
