

# Logistics Plus is Named a 2026 Top 100 Logistics & Supply Chain Technology Provider

*It's the fourth straight year that Logistics Plus has been named to the annual Inbound Logistics magazine list.*

ERIE, PA, UNITED STATES, April 28, 2026

/EINPresswire.com/ -- Logistics Plus, Inc. (LP), a global leader in transportation, logistics, and unique supply chain solutions, is proud to announce that it has been named a [Top 100 Logistics & Supply Chain Technology Provider](#) for 2026 by Inbound Logistics magazine. The list, curated annually by the editors of Inbound Logistics, recognizes 100 logistics companies whose solutions are central to addressing

transportation, logistics, and supply chain challenges and whose customer successes are well documented.

transportation, logistics, and supply chain challenges and whose customer successes are well documented.

Logistics Plus is Named a 2026 Top 100 Logistics & Supply Chain Technology Provider

“

Our editorial selection committee reviewed more than 400 submissions this year ... from this highly competitive pool, only 100 providers were chosen.”

*Felecia Stratton*

"Our editorial selection committee reviewed more than 400 submissions this year, carefully evaluating a rapidly expanding field of innovative solutions," said Felecia Stratton, Editor for Inbound Logistics. "From this highly competitive pool, only 100 providers were chosen—recognizing those delivering the most impactful technology and value to the supply chain community."

The 2026 Top 100 list will appear in the April print, digital, and app editions, and will be featured on the Inbound

Logistics website throughout the year, along with promotion across our media platforms.
