

Charlottesville Wine Tour Season Ready for Kickoff

Warmer weather brings expanded winery hours, events and private tour experiences across Albemarle County

CHARLOTTESVILLE, VA, UNITED STATES, April 3, 2026 /EINPresswire.com/ -- As temperatures rise across Central Virginia, wine tour season in Charlottesville and Albemarle County is beginning to pick up. Longer days, blooming vineyards and a full calendar of events make spring an ideal time to explore the region's wineries. As the season gets underway, Camryn Limousine will again be offering its popular custom Charlottesville wine tours, combining comfort, safety and convenience. Among area options, the company is frequently cited as one of the first choices for private, upscale wine tours.

“Spring is when the wineries really come alive,” said Bill Kerr, founder of Camryn Limousine. “Hours expand, new releases are introduced and events begin filling the calendar.”

The region is home to dozens of wineries set along scenic routes in Albemarle County and the foothills of the Blue Ridge Mountains. Well-known destinations such as King Family Vineyards, Veritas Vineyard & Winery and Pippin Hill Farm & Vineyards draw visitors for their views, tastings and seasonal experiences. Many wineries step up activity in the spring with live music, food pairings and special tasting events, creating a lively atmosphere for both first-time visitors and returning guests.

Camryn Limousine offers fully customizable tours, allowing groups to choose specific wineries or

get recommendations based on their preferences. Each itinerary is built around the group's interests, from scenic stops and relaxed pacing to more active, multi-stop experiences. These private wine tours are especially popular for couples, bachelorette parties, birthday celebrations, wedding groups and corporate outings, as well as visitors seeking a private driver or chauffeured experience to explore Charlottesville wine country.

Professional chauffeurs handle all transportation, so guests can enjoy tastings responsibly while traveling in a clean, well-appointed vehicle.

"With so many great options across the area, having a plan — and reliable transportation — makes the experience much more enjoyable," Kerr said.

With peak wine tour season approaching, early booking is recommended, particularly for weekends and event dates.
