

# Rev. Anthony Evans Invites 40 million Americans Who Stopped Going to Church to Easter Service

*It Will Please Christ. Our Lord, Savior, and Redeemer*

WASHINGTON, DC, UNITED STATES, April 3, 2026 /EINPresswire.com/ -- The [National Black Church Initiative](#) (NBCI) is a coalition of 150,000 African American and Latino faith communities, comprising 27.7 million members, and Rev. Anthony Evans, president of the National Black

“

Come unto me, all ye that labor and are heavy laden, and I will give you rest. Take my yoke upon you and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.”

*Matthew 11:28-29*

Church Initiative, makes a pastoral gesture to invite 40 million Americans who have stopped attending church to Easter Service this Sunday. You are welcome to attend any church of your liking if you and your family are in Church.

Rev. Anthony Evans, president of the National Black Church Initiative, says, “Our nation is tired, confused, angry, and all of us are overwhelmed. This is why I decided to invite everyone to pray, take a break, and leave these raw emotions in the hands of the one who holds up the world-- Christ our savior. He's got the whole world in his hands”

This is a powerful and needed invitation, given the social and political chaos in our nation, which is at war. Everyone you talk to is baffled by the confusion in our home and community. We need time to pray together

Matthew 11:28-29

28 Come unto me, all ye that labor and are heavy laden, and I will give you rest.

29 Take my yoke upon you and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls.

## ABOUT NBCI

The National Black Church Initiative (NBCI) is a coalition of 150,000 African American and Latino churches working to eradicate racial disparities in healthcare, technology, education, housing, and the environment. The mission of NBCI is to provide critical wellness information to all of its members, congregants, churches, and the public. NBCI utilizes faith and sound health science, partnering with major organizations and officials to reduce racial disparities in various areas, as

cited above.

NBCI's programs are guided by credible statistical analysis, science-based strategies and techniques, and methods that deliver effective solutions to complex economic and social challenges.
