

Excellence Center Introduces Simplified Maid Visa Processing Services in Dubai

Licensed Tadbeer center provides structured maid visa packages starting at AED 7,850 for eligible UAE residents.

DUBAI, UNITED ARAB EMIRATES, April 7, 2026 /EINPresswire.com/ -- Excellence Center, a licensed Tadbeer service provider operating under the UAE Ministry of Human Resources and Emiratisation (MOHRE), has announced a streamlined maid visa processing service designed to simplify the process of hiring domestic workers in Dubai.

The service is structured to support expatriate families, newly arrived residents, and eligible Golden Visa holders seeking a compliant and organized route to obtaining a domestic worker visa in the United Arab Emirates.

SUPPORT FOR EXPAT FAMILIES AND NEW RESIDENTS

Domestic worker visa processing in Dubai often requires multiple administrative steps including immigration documentation, medical fitness testing, Emirates ID registration, and compliance with UAE labor regulations.

Excellence Center coordinates these procedures through a dedicated processing team responsible for managing documentation, government submissions, and appointment scheduling.

This centralized process allows applicants to complete visa requirements through a single regulated service provider rather than navigating multiple government offices independently.
