*Congressional candidate David Flippo has assembled one of the most formidable endorsement coalitions in the country.*

RENO, NV, UNITED STATES, April 6, 2026 /EINPresswire.com/ --

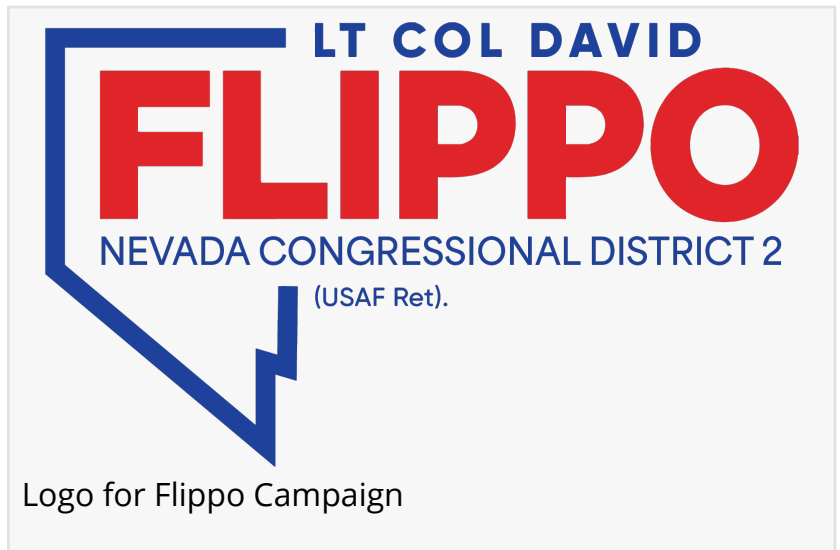

Congressional candidate David Flippo has assembled one of the most formidable endorsement coalitions in the country, uniting Trump-endorsed Members of Congress, national conservative organizations, Nevada grassroots leaders, law enforcement officials, and military veterans behind his campaign in Nevada's 2nd Congressional District.

The contrast is clear. Flippo has consolidated the America First movement. James Settelmeyer is a career politician that the establishment is rallying behind.

“

We are building a coalition that will secure the border, defend the Second Amendment, and stand with President Trump. The establishment has made their choice. Now the voters will make theirs.”
