

Heavy Metal band, Thredge, Releases New Single, 'Am I Human Yet?'

LOS ANGELES, CA, UNITED STATES, April 7, 2026 /EINPresswire.com/ -- In a cultural moment dominated by artificial intelligence, curated identities, and algorithmic pressure, Los Angeles-based heavy metal outfit Thredge

releases a defiant and visceral new single, "AM I HUMAN YET?", a hard-hitting anthem that asks the question many are too afraid to say out loud: Am I enough?

“

AM I HUMAN YET? begs the question of, 'Am I enough?' Let this song be a voice that says YOU are enough, and that you can create what you want to create, and be who you want to be.”

Ryan Duswalt

Produced by Steve Evetts (The Cure, The Dillinger Escape Plan, Misfits, Sepultura, The Used), recorded at Matt Sorum's (Guns N' Roses, Velvet Revolver, The Cult) GoodNoise Studio in Palm Springs, and mastered by ZUESS, the track delivers crushing instrumentation, commanding vocals, and a message aimed directly at the modern condition. At its core, “AM I HUMAN YET?” explores

the psychological tug-of-war of expectation and the invisible ropes pulling us in opposite directions.

The new song arrives alongside a full-length music video, limited edition merchandise, and the launch of THE TERMINAL, Thredge's new online communal space designed to foster authentic connection without the manipulation of social media algorithms. In an era of digital indifference, Thredge is building a direct bridge between artist and audience.
