

Smart Blanks to Participate in 2026 Texas Spring Swing Presented by HPPA

Brand to showcase core blank apparel styles at Houston and Dallas industry events in late April and early May

GRAND PRAIRIE, TX, UNITED STATES, April 7, 2026 /EINPresswire.com/ -- Smart Blanks will participate in the

2026 Texas Spring Swing presented by the Houston Promotional Products Association (HPPA), with scheduled appearances in both Houston and Dallas. The events, which focus on different products such as pens, mugs, stickers, and apparel, will take place on April 28 at the Bayou City Event Center in Houston, Texas, and on May 1 at the Grapevine Convention Center in Dallas, Texas.

At both locations, Smart Blanks will present a selection of its core blank apparel styles, with a focus on three t-shirt offerings designed for a range of end uses and customer segments.

The [3502 Youth Essential Tee](#) will be featured in the lineup. Available in sizes XS to XL, the style is constructed from 4.3 oz ring-spun combed cotton and finished with an enzyme wash for a soft feel. Additional features include side seams, shoulder taping, short sleeves, and a tear-away label. The product is packaged in packs of 12 and boxes of 72.

Also included is the [4001 Women's Essential Tee](#), offered in sizes XS through 3XL. This style is made from 4.3 oz ring-spun combed cotton and includes an enzyme wash, side seams, shoulder taping, and a tear-away label. The design reflects a fitted silhouette while maintaining a standard construction for blank apparel applications.

Rounding out the collection is the [501 Adult Everyday Tee](#). Available in sizes XS through 3XL, the style includes a retail fit, tubular construction, and ring-spun combed cotton fabric. Like the other featured tees, it is finished with an enzyme wash and packaged in 12-piece packs, 72 per box.

Backed by more than 15 years of experience in manufacturing, design, and sales, Smart Blanks continues to supply blank apparel designed for consistency, versatility, and reliable distribution across the U.S. market.
