The Magna Society was created by Audi to identify and recognize dealerships that go above and beyond standard business objectives and sales targets. To qualify, dealerships must demonstrate strong engagement in sales and service programs while adhering to rigorous business processes and operational standards. The Elite distinction represents the highest level within this program, awarded only to the top-performing dealers in the network.

“We are incredibly proud to be named a Magna Society Elite dealer,” said Ben Hannah, General Manager of Audi Marin. “This recognition reflects the hard work and dedication of our entire team, as well as our commitment to delivering an exceptional experience for every customer who walks through our doors.”

This achievement underscores Audi Marin's leadership within the Audi dealer network and its continued focus on performance, innovation, and customer satisfaction.
