

Mina Mar Group Expands Incubator, Aggregator and Accelerator Platform to Support Business Development Lifecycle

WEST PALM BEACH, FL, UNITED STATES, April 10, 2026 /EINPresswire.com/ -- [Mina Mar Group](#) announced the expansion of its integrated incubator, aggregator, and accelerator platform, designed to support companies at different stages of development.

According to the company, the platform is structured to provide a continuous development pathway, from early-stage concept through growth and capital market readiness.

The firm stated that the model combines three core components:

- An incubator focused on early-stage support and development
- An aggregator designed to consolidate and scale business operations
- An accelerator aimed at supporting growth and investor engagement

Mina Mar Group indicated that this integrated approach is intended to streamline business progression and improve alignment between development stages and capital strategies.

“The combination of incubation, aggregation, and acceleration provides a structured framework for companies as they move through different stages of growth,” said [Miro Zecevic](#), CEO and President of Mina Mar Group. The company noted that the platform complements its broader advisory services, including capital markets consulting, Regulation A+ support, and investor relations.

Mina Mar Group stated that it continues to expand its services in response to increasing demand for integrated approaches to business development and capital formation.
