Bishop Leroy Guillory, is Fighting To Bring Compton Back To Life!

THE TEAM COMPTON CAMPAIGN IS PROUD TO REPORT THAT BISHOP LEROY GUILLORY has earned more than Endorsements but Support to make Compton an All American City Again! "Compton will be Open for Business", said; Bishop Guillory. We are campaigning for the people's rights to live in a safe, clean city without being made to pay the highest taxes in the state of California for their property. I believe that the taxpayers should be as upset as I am when they see Millions of their tax dollars being unlawfully given away to people whom are robbing them day after day, year after year with no end in sight.

“

We are excited to see the community uniting behind this campaign and look forward to continued progress”

Bishop Leroy Guillory Emerges as the Clear Front Runner in the City of Compton Mayoral Race. I
am doing the work that I've done my entire life so it's easy for me to do the work that needed
now more than ever! I am fighting to lower the taxes in Compton for the property owners this
isn't going to be an easy fight not at all.

Much of the support comes out of the fact that Bishop Guillory 'Spoke Truth' on Saturday, March
28, 2026, the City of Compton Mayoral Forum was held at Compton College, with six candidates
vying for the position of Mayor. Among them, Bishop Leroy Guillory stood out as the clear
residents' choice, with his strong leadership skills and community-driven approach.

The forum, sponsored by the Compton Chamber of Commerce, provided an opportunity for the
candidates to present their visions and plans for the city's future. Bishop Leroy Guillory, a well-
respected National/International Human Rights Leader and Ombudsman General, impressed the
audience with his comprehensive and practical solutions to the city's challenges.

"We are excited to see the community uniting behind this campaign and look forward to
continued progress", said Jose Rodriguez. "This campaign is about the people for the people", he
continued "If the people who don't vote told you the truth it would be like my story. I didn't see
any of the past public officials until it was elections time and they would come to my house or
church and say it's time to vote. What the Bishop is doing is fighting to help us the people!"
