National College Evaluation Camp Returns to the DMV

ATLANTA, GA, UNITED STATES, April 14, 2026 /EINPresswire.com/ -- The National College Evaluation Camp (NCEC) — one of the nation's most respected exposure platforms for middle and high school football athletes — is coming to Morgan State University on Sunday, April 26th.

Hosted by former NFL player Derrick Tatum, founder of Elite Talent Football Academy, and in partnership with Under Recruited Athlete (URA), this is the premier event for student-athletes in the DMV region who are ready to compete, get evaluated, and get seen by college programs.

NCEC provides certified, college-level testing in a high-energy environment designed to replicate the real recruiting experience. Every athlete receives verified measurables, elite position-specific training, and direct exposure to college programs actively looking for talent — starting as early as middle school.
