“

This milestone is a credit to our incredible L&D talent network and the clients who trust us to extend and strengthen their teams through flexible staff augmentation solutions.”

Maria Melfa, President and CEO of TTA

“Being named a Top Staffing and Temporary Resources company celebrates the partnerships we've built over three decades,” said Maria Melfa, President and CEO of TTA. “This milestone is a credit to our incredible L&D talent network and the clients who trust us to extend and

strengthen their teams through flexible staff augmentation solutions. We remain focused on providing the right expertise at the right time to support their most important initiatives.”

By combining deep expertise with a flexible talent model, TTA enables organizations to scale quickly and maintain continuity. With TTA Connect, the company's AI-enabled platform, clients get direct access to vetted L&D experts, making it easier to fill capability gaps and keep projects

on track without the usual hiring friction.

Training Industry, a leading research and information resource for corporate learning leaders, develops its annual Top 20 report to highlight providers that demonstrate strong capabilities, innovation, and influence in the training marketplace.

Companies selected for the 2026 Top Staffing and Temporary Resources list were evaluated based on:

- Scope and quality of staffing roles and resources offered
- Market presence, brand visibility, innovation and impact
- Strength of client portfolio and customer relationships
- Business performance and growth trajectory

“We’re proud to announce our 2026 Top 20 Staffing and Temporary Resources Companies list, recognizing organizations that provide outstanding training support through staff augmentation,” said Jalen Banks, market research analyst at Training Industry Inc. “These providers assist organizations in filling key L&D roles — from eLearning developers to virtual instructors — while supporting key areas such as content creation, curriculum design, learning technology administration, training delivery and program administration.”

TTA continues to support organizations with scalable, end-to-end L&D solutions, helping teams adapt to evolving business priorities. By providing access to a highly vetted network of learning professionals, TTA enables organizations to move faster and deliver meaningful learning outcomes.
