

# CSols Inc. to Support LabVantage Community as Sponsor of CTEC 2026 in Tucson

*CSols Inc. highlights its commitment to helping clients decode the digital lab and announces its official sponsorship of LabVantage CTEC 2026 in Tucson, AZ.*

NEWARK, DE, UNITED STATES, April 15, 2026 /EINPresswire.com/ -- CSols Inc., the premier laboratory informatics solutions provider in North America, is proud to announce its participation as an official sponsor of the LabVantage Customer Training and Education Conference (CTEC) North America 2026, April 19–23 in Tucson, Arizona. For over a decade, CSols and LabVantage have been working together to help the scientific community maximize their digital transformation through seamless LIMS implementation and optimized laboratory workflows.

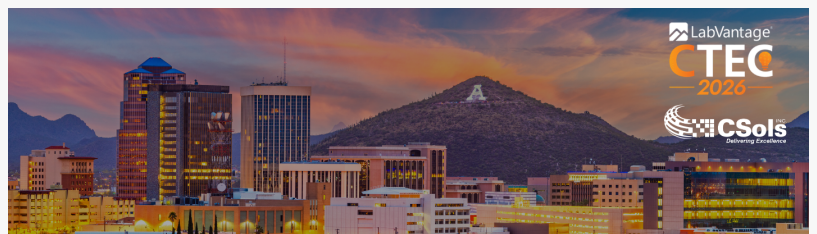

The annual event brings together laboratory informatics professionals and LabVantage users to explore the latest advancements in LIMS technology and laboratory efficiency.

As a long-standing LabVantage partner, CSols' sponsorship of CTEC North America 2026 underscores its commitment to the LabVantage community. The conference provides a vital platform for CSols to engage with laboratory leaders and share expertise on optimizing LabVantage platforms to improve data integrity, laboratory data ecosystems, and operational excellence.

"The LabVantage community is a vital part of the CSols family, and we are honored to support

CSols is the premier lab informatics solutions provider in North America

This event highlights CSols' dedication to the LabVantage ecosystem and our passion for helping clients decode the digital lab.

Our involvement in this event highlights our dedication to the LabVantage ecosystem and our passion for helping clients decode the digital lab."

*Megan Cavanaugh*

LabVantage's mission of innovation," said Megan Cavanaugh, Marketing Director at CSols Inc. "At CTEC 2026, we look forward to demonstrating how our specialized services complement LabVantage's powerful platform to help clients truly [decode the digital lab](#). Our goal is to ensure every attendee has the tools and insights needed to maximize the value of their LabVantage investment."

The conference provides a collaborative platform for CSols to engage with laboratory leaders and share expertise on optimizing LabVantage environments to improve data

integrity, connectivity, and operational excellence. By bridging the gap between complex scientific requirements and technical execution, CSols helps users realize the full potential of the LabVantage suite.

LabVantage CTEC is a premier educational event featuring a comprehensive program of breakout sessions, focus groups, and networking opportunities. Attendees will have the chance to engage with industry thought leaders and explore innovative solutions for the lab of the future.
