SOUTH SAN FRANCISCO, CA, UNITED STATES, April 16, 2026

/EINPresswire.com/ -- Sam Filmus and Chris Uhde of ImpEx Beverages announced with excitement today the release of the latest Edition of their Independent bottling line, [The ImpEx Collection](#).

Introducing The ImpEx Collection Edition Five

Edition Five features eleven “gems” for fans of the brand to experience; eight Scotches, two World Single Malts, and one extremely special 18 yo rum.

When asked about Edition Five, Sam Filmus, Keeper of the Quaich and President of ImpEx Beverages, said, “With Edition Four of The ImpEx Collection we really tried to curate something that allowed the distilleries unique signatures to shine through in their simplest form, primarily bottling second fill casks. Edition Five is a compilation of some really incredible wine casks, allowing connoisseurs to experience what magic can occur when the distillate is influenced by these special and unique notes to deliver complex (yet balanced) flavor profiles.”
