

OCCUPATIONAL HEALTH & SAFETY ANNOUNCES WINNERS OF 2026 INDUSTRIAL HYGIENE AWARDS

OH&S, a trusted authority in worker safety-triad insights since 1932 is pleased to announce the winners of its 2026 Industrial Hygiene Awards.

WOODLAND HILLS, CA, UNITED STATES, April 16, 2026 /EINPresswire.com/ -- Occupational Health & Safety ([OH&S](#))—a trusted authority in worker safety-triad insights since 1932—part of Converge360, is pleased to announce the winners of its 2026 [Industrial Hygiene Awards](#).

Founded in 2021, this awards program honors the outstanding product development achievements of health and safety manufacturers whose products are considered particularly noteworthy in their ability to improve industrial hygiene.

Each winning product was selected for its innovation and its ability to significantly advance industrial hygiene practices and improve worker protection. The 2026 honorees represent a wide range of solutions designed to address evolving workplace hazards and elevate safety standards across industries.

Winning companies and their products will be showcased across OH&S marketing materials, highlighted in the April/May issue of OH&S magazine, and featured on a dedicated winners section of the OH&S website.

“This year’s Industrial Hygiene Awards highlight how innovation is transforming the way organizations identify, monitor, and control workplace exposures, with winners reflecting a clear shift toward connected, data-driven safety solutions,” said David Kopf, Executive Editor of OH&S. “Together, these technologies demonstrate the industry’s continued commitment to proactive risk management and stronger long-term health protection for workers.”
