- Bonded & non-bonded warehousing

AsstrA offers comprehensive customs and regulatory support, coordinating closely with licensed customs brokers to ensure smooth clearance. Experienced AsstrA team provides HS classification assistance, guide you through Importer Security Filing (ISF) requirements and ensure FDA, USDA and EPA shipment readiness. AsstrA professionals also manage risk flags and document validation, helping to minimize delays and maintain full compliance throughout the shipping process.

Why choose AsstrA for your business?

AsstrA is a US-based NVOCC, not just a local agent, with a strong compliance focus aligned with FMC and CBP regulations. AsstrA provides a clear liability framework through HBL and Ad Valorem, maintain a transparent cost structure and bring extensive experience working with EU shippers and forwarders. Company's approach is built on a long-term cooperation mindset, ensuring reliable, trusted partnerships across all stages of ocean freight.

AsstrA is your trusted partner for secure, compliant, and efficient ocean freight across the Atlantic.
