

Mayhew Tools Launches New 3 Pc. Long Non-Turning Pneumatic Set

An extended-length, durable solution engineered for maximum stability in hard-to-reach areas

TURNERS FALLS, MA, UNITED STATES, April 20, 2026 /EINPresswire.com/ -- Mayhew Steel Products, Inc. ([Mayhew Tools](#)) announces the launch of its new 3 Pc. Long Non-Turning Pneumatic Set, [part number 32215](#). Engineered with an extended length, this set is expertly designed to provide professionals with easy access to hard-to-reach areas while delivering maximum performance.

Each tool in the set features four grooves that lock securely into the retaining balls of a quick-release chuck. This innovative design ensures maximum stability and a firm hold, allowing the tool to move back and forth on a single plane with the c-axis locked in place to prevent turning during use. With sharp edges, these pneumatic tools excel at cutting panels, scraping off undercoating, and removing bolt or rivet heads.

Crafted from high-strength steel alloy, the set delivers exceptional durability for demanding, heavy-duty tasks. A black oxide finish further enhances the longevity of the tools by providing superior corrosion resistance. The set is available at an MSRP

The set is available at an MSRP

of \$166.64.

The complete 3 Pc. Long Non-Turning Pneumatic Set includes:

32212 - Pneumatic Cold Chisel 5/8 X 18.250

32213 - Pneumatic Slotted Panel Cutter X 18

32214 - Pneumatic Scraper 1-1/8 X 18

Proudly made in the USA, the 3 Pc. Long Non-Turning Pneumatic Set carries on Mayhew Tools' commitment to quality and reliability and is backed by a lifetime warranty. Mayhew Tools are sold through an extensive network of global distributors, primarily serving the industrial, automotive, and hardware markets.
