Arsenic Kitchen gives an unforgettable performance at the Marquee Theater in Tempe.

PHOENIX, AZ, UNITED STATES, April 20, 2026 /EINPresswire.com/ -- This past Saturday, April 18th, the powerhouse rock ensemble [Arsenic Kitchen](#) took over The [Marquee Theater](#) in Tempe, Arizona, delivering a high-energy, unforgettable live performance. Known for their commanding stage presence and deeply [theatrical](#) aesthetic, the band completely transformed the iconic venue into a vivid spectacle of sound and light, leaving a packed house of devoted fans mesmerized.

Arsenic Kitchen performed as direct support to the Linkin Park cover act 'In The End', drawing their own massive loyal following to the venue.

The success of the performance is has been largely attributed to the band's viral moment on TikTok earlier this month. A video uploaded to TikTok in early April marked just over 5 million views (and is still being circulated online). The video features a humorous video that smoothly Segways into a music video the band put together covering Linkin Park's hit 'Given Up'.
