Visit MELTRIC in Booth #527 – May 3-6, 2026 – CIM CONNECT 2026 – Vancouver Convention Centre

FRANKLIN, WI, UNITED STATES, May 3, 2026 /EINPresswire.com/ -- [MELTRIC®](#) Corporation, the leading manufacturer

of switch-rated industrial electrical connection solutions, announces its participation in CIM CONNECT 2026, May 3-6 at the Vancouver Convention Centre. MELTRIC welcomes attendees to celebrate the 100th anniversary of CIM at booth 527 and experience The MELTRIC Advantage of connection and disconnection under full load up to 200 amps.

The MELTRIC Switch-Rated line remains the gold standard in safe connection and disconnection under full load across industries. At CIM 2026, MELTRIC will provide live demonstrations of its Switch-Rated connectors, giving attendees the chance to see firsthand how these electrical connectors enhance safety and productivity in their daily operations.

Additionally, MELTRIC offers the unique opportunity for attendees to try a device before making a purchase, ensuring an informed decision regarding their electrical connection needs.

Beyond the Switch-Rated Series, MELTRIC® manufactures a full line of industrial plugs and receptacles. Their product portfolio includes multipin connectors, high amperage solutions, single-pole devices, and options for hazardous locations. For a complete overview of MELTRIC's offerings, visit their website at www.meltric.com.

Visit MELTRIC at CIM 2026 in Booth #527 to learn how our rugged power connection solutions are helping power a resilient, downtime-free mining industry.
