

Seshu Maramreddy of Mygo Consulting Named EY Entrepreneur Of The Year® 2026 Midwest Finalist

EY US honors Mygo Consulting CEO Seshu Maramreddy for entrepreneurial leadership and building a global SAP consulting business.

NAPERVILLE, IL, IL, UNITED STATES, April 23, 2026 /EINPresswire.com/ -- [Seshu Maramreddy, founder and CEO of Mygo Consulting Inc.](#) , has been named a finalist for the Entrepreneur Of The Year 2026 Midwest Award by Ernst & Young LLP (EY US). Now in its 41st year, the Entrepreneur Of The Year program celebrates the bold leaders who disrupt markets through the world's most ground-breaking companies, revolutionizing industries and uplifting communities. The program honors entrepreneurs whose innovations drive economic growth and help shape the future of business.

Seshu Maramreddy of Mygo Consulting Named EY Entrepreneur Of The Year® 2026 Midwest Finalist

An independent panel of judges selected <Seshu Maramreddy> among 37 finalists from 30 companies based on their entrepreneurial spirit, purpose, company growth and lasting impact in building long-term value.

Being named an EY Entrepreneur Of The Year finalist is a recognition that goes far beyond me — it belongs to every consultant, client partner, and team member who has been part of the Mygo journey. When I started this company, I believed there was a better way to deliver SAP transformation: deep expertise, genuine partnership, and a global team that operates as one. To have that vision recognized at this level is both humbling and energizing.

Mygo was built on a conviction that mid-market and enterprise companies deserved a SAP partner with the same caliber of talent as the Big Four — without the overhead and without losing the personal relationship. Over the past twelve-plus years, we have grown from a Naperville startup to a 600-person organization operating across six countries, and we have done it by staying laser-focused on SAP outcomes for our clients. Every expansion — from India to Germany to the Middle East — was driven by client need, not growth for growth's sake.

None of this happens without exceptional people. To our consultants who show up every day and deliver for our clients, to our clients who trusted us with their most critical business transformations, and to our leadership team who have built something truly special — this recognition is yours as much as mine.

Under Seshu Maramreddy's leadership, Mygo has grown to become one of the most respected independent SAP firms in North America, achieving \$53.6 million in operating revenue in 2025 and expanding its global delivery footprint to meet clients wherever they operate.

Entrepreneur Of The Year honors business leaders for their ingenuity, courage and entrepreneurial spirit. The program celebrates original founders who bootstrapped their business from inception or who raised outside capital to grow their company, transformational CEOs who infused innovation into an existing organization to catapult its trajectory, and multigenerational family business leaders who reimagined a legacy business model to strengthen it for the future.

This year's Midwest finalists represent Illinois, Indiana, and Wisconsin across all industries, including technology, consumer products, manufacturing, finance and more.

Regional award winners will be announced on June 11 during a special celebration in Chicago and will become lifetime members of an esteemed community of Entrepreneur Of The Year alumni from around the world. The winners will then be considered by the national judges for

the Entrepreneur Of The Year National Awards, which will be presented in November at the annual Strategic Growth Forum®, where high-growth CEOs, Fortune 1000 executives and investors converge to shape the future of business.
