“Winning this award two years in a row is something we don’t take for granted,” said Tracy Mathis, CEO and Associate Broker of the Southern Homes Team. “When Cory and I started the team, the mission was simple: make sure no one felt lost in the shuffle. Nineteen years later, that mission hasn’t changed. It’s incredibly meaningful to be recognized by the community we serve every day.”

The Southern Homes Team operates as a boutique real estate team serving Baton Rouge, Ascension Parish, and Livingston Parish, focusing on personalized service paired with strategic marketing and negotiation. Mathis credits the achievement to the collaborative effort of the entire organization.

“None of this would be possible without our small but mighty team and the incredible support behind the scenes—we stay small by design and truly operate like a family,” Mathis added. “That energy carries through to every transaction. We’ve built something we’re proud of, not because of the numbers, but because of the relationships behind them.”
