“

Receiving our TAMKO Pro Platinum Certification is a proud milestone for our team...and this certification allows us to offer North Jersey homeowners even greater value.”

Chris Ewing, Owner of CKG Contractors Inc.

Contractors Inc. has been approved as a TAMKO Pro Platinum Certified Contractor, joining a select network of roofing professionals recognized by TAMKO Building Products for their expertise, craftsmanship, and commitment to quality installation.

The TAMKO Certified Contractor program was designed to recognize roofing professionals who demonstrate a commitment to quality installation, product knowledge, and customer service. Certified contractors are vetted through an application process and must meet TAMKO's standards for craftsmanship and professionalism. Through

the program, contractors gain access to extended shingle warranties for property owners, cash back through the Pro Rewards Program, exclusive discounts from top-tier vendors, and marketing resources through the TAMKO Store.

The Pro Platinum designation places CKG Contractors Inc. among a select group of contractors trained and supported by TAMKO Building Products to deliver high-quality roofing installations across their service area. The certification reflects the company's ongoing investment in professional development and its dedication to providing North Jersey homeowners with roofing solutions backed by industry-leading products and warranties. For CKG Contractors Inc., the approval builds on an established track record of exterior home improvement excellence.

"Receiving our TAMKO Pro Platinum Certification is a proud milestone for our team," said Chris Ewing, Owner of CKG Contractors Inc. "TAMKO is a trusted name in roofing, and this certification allows us to offer North Jersey homeowners even greater value, from extended shingle warranties to the confidence that comes with working with a contractor held to the highest standards in the industry."
