The location, owned and operated by Leslie Leonard, officially began serving the community on April 20, 2026. Leslie Leonard, Ph.D., brings over 20 years of experience in technology, workforce development, and program management. Leslie's path to senior care is deeply rooted in personal experience serving as the primary caregiver for her father. This, combined with a commitment to service alongside her husband, a retired Army Lieutenant Colonel, inspired her to build a business centered on support for families. Through Senior Helpers, she is dedicated to helping seniors remain safely at home while providing families with peace of mind.

"My goal is to be a trusted resource for families in our community, someone they can turn to during uncertain times and know they are not navigating it alone. If we can bring peace of mind and dignity to even one family, then we are doing exactly what we set out to do." – Leslie Leonard

Senior Helpers of Central Mississippi offers the exclusive [LIFE Profile](#) program—a data-driven assessment tool designed to reduce hospitalizations and support aging in place. Caregivers also receive training through the Senior Gems® program for Alzheimer's and dementia care, developed in collaboration with dementia care expert Teepa Snow. Additional specialized programs are available for Parkinson's care, transitional care, surgery assistance, and veteran care.

"Leslie is the ideal Senior Helpers franchisee," says Peter Ross, CEO and Co-Founder of Senior Helpers. "Her passion for service innovation makes her the perfect candidate for us. We're excited to see their business thrive and more Central Mississippi residents benefit from the compassionate care Senior Helpers provides."
