

# Accelecom and PrimaryPlus Extend Partnership

SANDY SPRINGS, GA, UNITED STATES, April 28, 2026 /EINPresswire.com/ -- [Accelecom](#), a leading provider of next-generation [fiber solutions](#), today announced that [PrimaryPlus](#), a FQHC (Federally Qualified Health Center), has extended its partnership with the company. PrimaryPlus is a marquee healthcare provider with locations across Eastern Kentucky. The expanded partnership includes upgrading bandwidth into select PrimaryPlus sites.

The Accelecom logo, featuring the word "ACCELECOM" in a bold, blue, italicized sans-serif font.

This partnership was first established in 2023. That year, PrimaryPlus selected Accelecom as its single-source solution provider to serve its diverse locations with secure, scalable, and hyper-reliable network connectivity.

“

The network and customer experience Accelecom has provided has been transformational. It has enabled our organization to provide valuable care for the uninsured and underinsured population of Kentucky”

*Kerry Kelley, Chief Information Officer at PrimaryPlus*

Kerry Kelley, Chief Information Officer at PrimaryPlus, shared, “The network and customer experience Accelecom has provided has been transformational. It has enabled our organization to provide valuable care for the uninsured and under-insured population of Kentucky.”

Brad Kilbey, Chief Executive Office at Accelecom said, “We take tremendous pride in the missions that we support, to include empowering healthcare providers with cutting-edge technology. Together, we are ensuring the

communities they serve receive the best possible care, enabled by reliable and high-performance fiber solutions.”

This collaboration marks a significant step forward in solving the digital divide and equipping Eastern Kentucky with improved health outcomes.
