

Inbound Logistics Honors CTSI-Global for Excellence in Logistics and Supply Chain Technology in 2026

MEMPHIS, TN, UNITED STATES, April 29, 2026 /EINPresswire.com/ -- CTSI-Global, a leader in Supply Chain Management, proudly announces it has received the [Top 100 Logistics and Supply Chain Technology Provider Award](#) from Inbound Logistics.

This prestigious award recognizes CTSI-Global for outstanding performance in technologies such as freight audit and payment, parcel spend management, supply chain intelligence unit, and Honeybee TMS.

“This reflects the trust our customers place in us and our team’s commitment to delivering reliable, results-driven solutions every day. As supply chains continue to evolve, we remain focused on helping our customers succeed with proven capabilities today while investing in innovations that help them stay efficient and ahead of what’s next,” said Art Saisuphaluck, Chief Information Officer of CTSI-Global.

“

As supply chains continue to evolve, we remain focused on helping our customers succeed.”

Art Saisuphaluck, CIO

“We’ve worked hard to deliver solutions that streamline our customers’ operations and optimize efficiency and reliability. It’s an honor to be recognized among industry leaders, and this award inspires us to keep pushing the

boundaries of what’s possible,” added Spencer Gore, Chief Technology Officer.
