PITTSBURGH, CA, UNITED STATES, April 29, 2026 /EINPresswire.com/ -- The Demonologist is a definitive new podcast series chronicling the extraordinary life and work of Adam Blai. As the

“

Having spent twenty years in the ministry of exorcism—a journey documented throughout my books—I am now opening those case files to a broader audience through this series.”

Adam Blai

only lay Peritus (expert) of Religious Demonology and Exorcism officially decreed by the Roman Catholic Church, Blai’s journey from the halls of maximum-security prisons to the front lines of spiritual warfare offers an unprecedented look into the reality of evil and the mechanics of deliverance.

For over 20 years, Adam Blai has operated at the intersection of psychology and ancient theology. Before his appointment to the Diocese of Pittsburgh, Blai served as a Psychological Services Specialist for the Pennsylvania State prison system. There, he conducted hundreds of

evaluations for the parole process, gaining a deep understanding of human pathology and the "full range of human evil."

Driven by encounters that defied medical and psychological explanation, Blai transitioned into the realm of the supernatural and has since become a cornerstone of the Church’s response to the demonic. With over 20 years on the front lines of spiritual warfare, he has assisted in more than 2,000 solemn exorcisms. An alumnus of the International Association of Exorcists—where he studied under renowned figures like Father Gabriele Amorth—Blai now serves as an instructor at the Pope Leo XIII Institute, training the next generation of clergy in the rigorous protocols of discernment, deliverance, and exorcism.

"I’ve spent twenty years in the 'room' where these battles happen, and I believe it is time to bring these lessons to a broader audience," says Adam Blai. "My goal with this podcast is to bridge the gap between medical science and psychology with ancient theology. I am sharing these accounts not to instill fear, but to offer the clarity and the spiritual tools people need to navigate a very

real spiritual landscape."

Many will recognize Adam Blai from his appearances on Discovery's The Exorcist Files and many media appearances speaking about the supernatural world and the ministry of exorcism. Leading up to the release of his full serialized podcast series this summer, Adam has launched a weekly podcast featuring his field notes on the spiritual world, offering an unfiltered look at the reality of his work. His deep expertise is reflected in his definitive books, including Hauntings, Possessions, and Exorcisms, The Exorcism Files, and The History of Exorcism.
